SCOPE

Wise County is now accepting formal sealed bids for the repair and service of the County's Heating/Air Conditioning Units.

This contract will be effective from July 13, 2016 through September 30, 2017.

The contract will include 4 additional 1-year extensions to be exercised at the discretion of Commissioners' Court each budget year.

This contract may be canceled with 30 days written notification by either party to the other.

SPECIFICATIONS

It is the intent of these specifications to describe repair, service, and installation necessary to maintain the HVAC units at all County facilities.

Any catalog, brand name, or manufacturer's reference used in describing an item is merely descriptive and not restrictive unless otherwise noted, and is used only to indicate type and quality of material. Bidders must state exactly what they intend to furnish. If bidder takes no exception to specifications or reference data, he will be required to furnish items as specified in the bid.

The service will be for an on call basis for all Wise County Buildings.

Successful bidder will be on call to Wise County with a 1 day response time to emergency breakdowns to service and/or repair Wise County's HVAC units as necessary. Response time is considered to begin when the County calls the technician and is considered to end when technician arrives at the specified location. At any time the successful bidder is unable to respond to a call for the County within a timely manner, the County reserves the right to call the next lowest bidder to respond to the call. Repeated unavailability of the successful bidder shall result in cancellation of the contract at County's sole option. Successful bidder shall work the hours necessary to complete the task so as not to interfere with the daily business of the county offices. Work shall be done in a timely and orderly manner and all work

areas shall be kept free from any safety hazards. Work areas shall be left clean and as close to original condition as possible. All work must be to the satisfaction of the county or the work will not be paid for. The hourly rate shall not commence until the technician has arrived at the specified location.

Any work that is required will be cleared with the following person:

Wise County Judge JD Clark, his successor or designee: 940-627-5743

All work must be approved by the above named person prior to commencement of any work.

Any units that need replacing will be replaced with an energy efficient unit with a SEER minimum of no less than 13. Any gas-fired units needing to be replaced will be replaced with electric units at the County's discretion.

The successful bidder will supply all necessary personnel, tools, and equipment to accomplish installation, service, and/or repair of Heating, Ventilating, and Air Conditioning (HVAC) units and systems. All costs associated with the installation, service, and/or repair of HVAC units and systems must be included in the hourly rate with the exception of parts and service charge. The bidder will bid a regular hourly rate (hours from 8:00 a.m. to 5:00 p.m. Monday to Friday) and an after hours/weekend/holiday hourly rate (hours from 5:00 p.m. to 8:00 a.m., weekends, and county designated holidays). The bidder will bid repair parts and materials (including replacement units) as a separate expense priced on a discount percentage off price. A service charge may also be included on the bid, but is not required. The award of this contract will be based on the lowest hourly rates, parts discount, service charge, ability to meet response time requirements, warranty, and any other discounts provided the County in the bid.

All repair parts and materials (including replacement units) will include the standard manufacturer's warranty. All installations of new equipment must include a 1-year warranty on labor.

Please include a statement regarding follow-up visits for the same problem and labor warranty policy, which includes how charges will be applied.

Any permits or engineering that is required will be at the contractor's expense.

The successful bidder must be fully licensed to perform HVAC work in the State of Texas. A copy of the license must accompany bid.

Any equipment/repairs currently under warranty will be excluded from this bid until the warranty expires.

ESTIMATED QUANTITIES

Because Wise County's needs are seasonal in nature, it is not feasible to offer prospective bidders estimated quantities needed during the year. However, prospective bidders are encouraged to contact the individual department heads of the listed departments to discuss their anticipated needs. Wise County will in no way be bound to purchase any predetermined amounts under this contract. All purchases will be based on the county's actual needs.

INSURANCE

Successful bidder shall provide Wise County with a certificate of insurance evidencing general liability coverage of no less than \$500,000.00.

All insurance requirements in accordance with the Texas Labor Code, Sec. 406.096 must be met.

Before commencing work, the successful bidder shall be required, at his own expense, to furnish Wise County within ten days of notification of award, evidence showing general liability and Worker's Compensation insurance coverage to be in force throughout the term of this contract in accordance with State Territorial Worker's Compensation Laws.

Inability to provide proof of insurance will result in non-payment and termination of contract.

CONTRACT

The contract price for this service must include all ancillary costs associated with the service.

The bidder reserves the right to charge any price desired as long as it does not exceed the bid price.

All invoices will be paid on a net 30 basis. No late fees or interest charges are to be assessed against the county.

Invoices must show the address where the service was required and bid number. Each department/precinct must be invoiced separately.

Invoices must be sent to:

Wise County Auditor's Office
P.O. Box 899
Decatur, TX 76234
940-627-5744

Funds for payment on this contract have been provided through the Wise County budget approved by Commissioners' Court for this fiscal year only. State of Texas statutes prohibit the obligations and expenditure of public funds beyond the fiscal year for which a budget has been approved. Therefore, anticipated orders or other obligations that may arise past the end of the current Wise County fiscal year shall be subject to budget approval. The fiscal year for the County extends from October 1st of each calendar year to September 30th of the next calendar year.

The bidder must provide pricing (unit or lump sum) as requested on the bid form. Prices quoted shall remain firm for the period of the contract and shall include the cost of installation if required in the specifications, shipping, and delivery of item to the designated point unless pickup is required and stated in the bid and shall not include Federal or State of Texas sales, excise and use taxes.

The undersigned affirms they have familiarized themselves with the local conditions under which the work is to be performed and have satisfied themselves of matters that may be incidental to the work before submitting a bid.

Bidders must submit their bids on the attached forms and they must be originally signed.

Bids not submitted on these forms will be summarily disqualified. **NO 3 RING BINDERS**

Faxed or emailed bids will not be accepted.

By submitting and signing the attached bid forms, each bidder is indicating that he has read and understood the instructions, terms, conditions, specifications, and invitation to bid and agrees to comply with and be bound by its precepts. Submission of a bid form shall constitute an offer on such terms that

shall remain open and irrevocable until such time as a bid submitted on same has been accepted by the Commissioners' Court of Wise County, Texas. Acceptance of same by the Court shall create a contract between the parties based upon the instructions, terms, conditions, specifications, invitation to bid, and the bid forms. **Award notice will include information on form 1295 disclosure that must be completed and returned prior to any bid award being considered final, contract being signed by Wise County, any Purchase Order being issued by Wise County, or any notice to proceed with work being issued by Wise County. Wise County cannot advise on the form 1295. As this is a new law and form, if you have questions, the Texas Ethics Commission implemented the law and generated the form so we would suggest calling them at 512-463-5800 or <https://www.ethics.state.tx.us>.**

Continuing non-performance of the vendor in terms of specifications shall be basis for termination of the contract by Wise County. Wise County shall not pay for work, equipment, or supplies that are unsatisfactory. Vendors will be given a reasonable opportunity before termination to correct the deficiencies. However, this shall in no way be construed as negating the basis for non-performance termination.

A Conflict of Interest Questionnaire and explanation has been included with this bid packet. If you have any questions about compliance, please consult your own legal counsel. Compliance is the individual responsibility of each individual, business, or agent who is subject to the laws filing requirements. If you are required to file a Conflict of Interest Questionnaire, the original signed questionnaire should be filed with the County Clerk's Office. **DO NOT INCLUDE THIS FORM WITH THE BID PACKET.
