THE STATE OF TEXAS §

COUNTY OF WISE §

FISCAL YEAR 2011-2012

THIS INTERLOCAL AGREEMENT (“Agreement”) is made and entered into by and between Wise County, a political subdivision of the State of Texas; to be carried out by Wise County Emergency Services (the “WCEMS”), and the City of Aurora, Texas, a municipal corporation within Wise County (“City”), for establishing Pre-hospital emergency medical services within the boundaries of said City.

RECITALS

WHEREAS, Texas Government Code, Chapter 791, the Texas Interlocal Cooperation Act, provides that one or more public agencies may contract with each other for governmental functions and services, including police protection services; public health and welfare; administrative functions; and other governmental functions in which the contracting Parties are mutually interested, in order to provide a governmental function or service that each Party to the contract is authorized to perform individually;

WHEREAS, Section 774.001 of the Health and Safety Code requires an “Agreement” to be executed between the governmental entities before emergency services can be rendered by WCEMS within the City and if the city is temporarily unable to provide its own emergency services and an actual emergency exists in the city.

NOW, THEREFORE in consideration of the above recitals, mutual benefits and promises each to the other made herein, the parties named above do hereby agree as follows:

PUBLIC PURPOSE

City, under its current system, contracts for pre-hospital emergency ambulance services. This system is designed to align the interest of the City with those of the community it serves. In order to facilitate the City's system, City hereby engages WCEMS, and WCEMS hereby accepts such engagement, to provide pre-hospital emergency ambulance services to the City, provided this service does not impede reasonable protection and coverage for the WCEMS jurisdiction.

SERVICES

- a. Providing WCEMS will be able to provide reasonable protection for the persons in its jurisdiction, WCEMS will provide emergency pre-hospital emergency medical services and emergency transfer services in the City's service area. As used in this Agreement, the term "City's service area" shall mean the city limits of the City and legally bound or extended service areas. Notwithstanding the foregoing, Services shall not include: aero medical helicopter services.
- b. In the event of a disaster, as determined by the appropriate authority having jurisdiction under applicable law, the WCEMS will fully cooperate and assist the City, or any other authority having jurisdiction, in the provision of the Services set forth herein.
- c. WCEMS expressly agrees that, in the event of a default, WCEMS will work with the City to assure continuous delivery of services regardless of the underlying cause of default, under the same terms and conditions as set forth herein until the resolution of the default has been satisfied or the contract is terminated.

COMPENSATION

- a. Other than permitting WCEMS to bill patients for this service in accordance with this agreement, the City will not impose any surcharge or fees to the patients for services rendered by WCEMS under this agreement.
- b. Charges accrued for patient care and/or transportation will be billed to the patients insurance, and if that patient is a resident of Wise County the payment from the insurance will be accepted as payment in full.
- c. If the patient resides out of Wise County, then the patients insurance will be billed and the patient will be responsible for any and all additional charges not covered by insurance.
- d. At no time will the City be responsible for payment of a bill for an employee of the City over and above what the employees insurance and or workers comp will pay.
- e. In the event that a Wise County Resident has no insurance that will cover EMS care and or transportation, then this patient will not be billed.
- f. Nursing homes and hospitals will be responsible for payment of EMS bills that are not paid by the patients insurance when the insurance deemed that the patient could have been transported by other means. This usually occurs when a nursing home resident needs a ride back to the nursing home after being seen at the hospital. These patients can usually be transported in a wheelchair van or a car.

g. WCEMS, and not the City, shall be solely responsible for paying all required federal, state and local taxes related to any amounts received by WCEMS pursuant to this Agreement.

INDEPENDENT CONTRACTOR

WCEMS shall at all times be an independent contractor. Nothing in this Agreement shall at any time be construed so as to create the relationship of employer and employee, principal and agent, partnership, or joint venture as between WCEMS and City. Neither party shall have any authority to incur any obligation or bind or commit the other party to any agreement, contract, or commitment or to waive, modify, or amend any rights of either party under any agreement, contract, or commitment, except as expressly authorized in writing by other party. Neither party shall in any manner be answerable or accountable for: (i) any violation by the other party of any federal, state or local laws, regulations, ordinances, rules or orders; or (ii) for any injury, loss or damage arising from or out of any act or omission of the other party.

The City shall be responsible for its sole negligence. The County shall be responsible for its sole negligence. The provisions of this paragraph are solely for the benefit of the parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person.
